## 2023 CHARITIES

For 2023 we will again be supporting the **Great North Air Ambulance Service**. This is the ninth year we will be able to contribute to the operating of this remarkable organisation which is totally self-funding. We are all aware of the amazing work this dedicated team undertake. In 2021/22 the service undertook 1,732 missions at an average cost of £4,478 per callout. As well as the helicopter ambulances, the service operates a rapid response vehicle with paramedic and doctor on a 24 hour, seven days a week basis. It is well worth a visit to their website at [www.greatnorthairambulance.co.uk](http://www.greatnorthairambulance.co.uk) and discover how the service originated and what their plans are for the future. An exciting project of the Jet Suit Paramedic is being trialled to assist with remote and inaccessible cases.

In 2019 the Lambton Team Shoot raised funds for **Coats for Kids**, a charity aligned with the Sir Tom Cowie Charitable Trust. The charity provided 600 coats to primary schools in Sunderland, then in 2022, with the help of funds raised by Lycetts, the insurance brokers, the charity was able to provide a further 576 coats to primary schools in Sunderland and County Durham. This year we have responded to the charity's request for **Wellies for Kids**, as many children arrive at school totally ill-prepared for weather conditions or trips and we are delighted to assist with this project.

With the current cost of living crisis we are all well aware of the need of the hot meals service provided by organisations such as the **Sunderland Community Soup Kitchen** to those most in need. Establishment of the kitchen was assisted through the Sir Tom Cowie Charitable Trust and we are very pleased to be able to contribute to its continued operation.
