2024 CHARITIES

For 2024 we will again be supporting the **Great North Air Ambulance Service**. This is the eleventh year we will be able to contribute to the operating of this remarkable organization which is totally self-funding. We are all aware of the amazing work this dedicated team and here at Lambton we have experienced first hand their commitment, professionalism and speed in life saving situations. In 2022 / 2023 the service undertook 1,983 missions at an average cost of £4,286 per callout. as well as the helicopter ambulances, the service operates a rapid response vehicle with paramedic and doctor on a 24 hour, seven days a week basis.

For this year we are also supporting **St. George's Church** in Fatfield. St. George's are raising funds to build a community annexe onto the church building. 142 years ago the Lambton family gave money to help build the church and they are delighted to assist again as well as provide further funding through this event.

The **Durham Community Foundation** supports local projects on a range of issues such as poverty alleviation, emergency crisis response and youth engagement. For 28 years the Foundation has helped people and organisations to support local communities through grants aimed to where it is most needed and will have the greatest impact. In 2022 / 2023 the Foundation allocated grants totalling £4,435,163 to 597 groups and 360 individuals.
